

AP2 Ultra Automatic Punch

1777000

Product Description

Binding doesn't get any simpler! The AP-2 Ultra automatic punch easily handles a wide variety of sheet sizes, punch styles, paper stocks and index tabs. It can easily punch intermixed index tabs and irregularly sized covers as well as coated, laminated, glossy and heavier stocks. The electronic control panel enables the user to set the speed for each job.

Features

- Feed hopper and output stacker hold 2,500 sheets of 80gsm bond paper or equivalent
- Edge Guide Adjustment Knobs: Allow the operator to change sheet size effortlessly without tools
- LCD Display: Informs operator of status at all times
- Adjustable pick feeder accommodates various paper stocks
- Separate Paper Loader and Output stacker: Enables you to feed paper / unload punched paper without having to stop the machine
- Tool-free die set changes take only seconds and are available in up to 14 different punch patterns
- Convenient Built-in Die Storage Compartment: Ensures dies are always at hand
- Emergency Stop Button: Safety operation
- Sheet size: Punched edge: 139mm to 304mm; Unpunched edge: 139mm to 298mm.
- Highly productive punching unit: Capable of punching up to 56,000 sheets per hour (40,000 sheets per hour on average)
